

## Scrims Esports Camps FAQ

**What game titles will be played?** We will dedicate time to learning and playing Fortnite, Overwatch, Valorant, and Super Smash Bros. We will also have organized play in Fall Guys, Minecraft, Rocket League, and Among Us. How much time we spend on each game will depend on the interest of the campers.

**Will other game titles be available?** Yes, there will be free play sessions in which campers can play any of our 60+ game titles, including VR.

**How does the gaming work?** Every camper will need to set up a Scrims Center account. This can be done online at [scrimscenter.com/pre-register](https://scrimscenter.com/pre-register). They can also set up an account when they arrive at camp for the first day. It just takes a few minutes. We have house accounts for the most popular games that campers are welcome to play. However, if campers would like to play on their own gaming accounts (Steam, Battlenet, Epic, Minecraft, etc...), they will need to know their login information (username and password). Please have this information on hand.

**Can campers bring their own controller, headset, etc...?** We have everything needed for gaming. Campers are welcome to bring in their own peripherals if they can be connected to the PC via a USB cable.

**Will campers get a break from screen time?** We will incorporate AFK (Away from Keyboard) and brain break activities into each day. AFK activities may include outdoor basketball and relays (yes, water balloons.)

**Can campers bring in their own food?** Campers can bring in their own lunch, snacks, and beverages. We will have pizza, sandwiches, drinks, and snacks available or purchase. Free bottled water and pretzels will be available at all times.

**Is before and after-camp available?** Yes. For an additional \$10, campers can arrive at 9am. After camp, they can remain at Scrims using time on their regular gaming accounts.

**How do I register and pay for Scrims Sumer Esports Camp?** Complete the registration form on the [scrimscenter.com/camps](https://scrimscenter.com/camps) page. A separate registration form is required for each camper. A signed parent waiver is also required for each camper. We will email an invoice for your payment around one week before the camp session starts. This invoice can be paid online.

**How does the sibling discount work?** Siblings who sign up for the same camp session will both/all get a 10% discount on the camp fee. Please let us know in the Notes section and your invoice will reflect the discount.

**What if I cannot make it for the full week?** If you know that you will miss certain days during the camp session, you can register for a partial week at the rate of \$65 per day. Please let us know in the Notes section which days you will be attending.

We hope to see you soon!
